CALL for SPECIAL SESSIONS

IMEKO TC-4 2022 Program Committee solicits proposals for special sessions within the technical scopes of the Symposium.

Special sessions have the main aim of creating a mini-workshop on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL

www.imeko-tc4-2022.org/special-session-proposal

PROPOSAL SUBMISSION

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers. Papers submitted for special sessions are to be peer-reviewed with the same criteria used for the regular sessions.
